## Claims Conditions that apply to Section One - Buildings only

### Settling claims - How we deal with your claim

If **your** claim for loss or damage is covered under section one, **we** will pay the full cost of repair as long as:

- the **buildings** were in a good state of repair immediately prior to the loss or damage
- the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form
- the damage has been repaired or the loss has been reinstated.

**We** will subtract an amount for wear and tear or betterment from the cost of any replacement or repair if immediately before the loss or damage the **buildings** were not in a good state of repair.

**We** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

If at the time of loss or damage it is **your** intention to demolish the **building**, **our** liability shall be limited to the additional costs of Debris Removal solely incurred as a result of such loss or damage.

### Your sum insured

**We** will not reduce the sum insured under section one after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.

If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of the premium which has arisen. For example, if the premium **you** have paid for **your buildings** insurance is equal to 75% of what **your** premium would have been if **your buildings** sum insured was enough to reconstruct **your buildings**, then **we** will pay up to 75% of any claim made by **you**.

If however, the correct sum insured is shown to exceed **our** acceptance criteria **we** may refuse to pay **your** claim.

The sums insured in this section will be index linked at each renewal of **your** policy in line with The House Rebuilding Cost Index issued by the Royal Institute of Chartered Surveyors. At renewal, the premium will be charged on the adjusted sum insured. For **your** protection should the index fall below zero **we** will not reduce the sum insured.

### Limit of insurance

**We** will not pay more than the sum insured for each **premises** shown in the **schedule**, including any expenses **you** have to pay and which **we** have agreed in writing for architects, surveyors, consulting engineers and legal fees.

## Claims Conditions that apply to Section Two – Landlords Contents only

### Settling claims - How we deal with your claim

If **you** claim for loss or damage to the **contents**, **we** will at **our** option repair, replace or pay for any article covered under section two.

**We** will not pay the cost of replacing or repairing any undamaged parts of the **contents** which form part of a pair, set or suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

### Your sum insured

**We** will not reduce the sum insured under section two after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.

If **you** are under insured, which means the cost of replacing or repairing the **contents** at the time of the loss or damage is more than **your** sum insured for the **contents**, then **we** will proportionally reduce the amount of any claim payment made by the percentage of under payment of premium which has arisen as a result of the shortfall in the sum insured. For example if the premium **you** have paid for **your contents** insurance is equal to 75% of what the premium would have been if **your contents** sum insured was enough to replace the entire **contents** as new, then **we** will pay up to 75% of any claim made by **you**.

If however, the correct sum insured is shown to exceed **our** acceptance criteria **we** may refuse to pay **your** claim.

The sums insured in this section will be index linked at each renewal of **your** policy in line with The Consumer Durables Section of the General Index of Retail Prices or a similar index selected by **us**. At renewal, the premium will be charged on the adjusted sum insured. For **your** protection should the index fall below zero **we** will not reduce the sum insured.

### Limit of insurance

**We** will not pay any more than the sum insured for the **contents** of each **premises** shown in the **schedule**.
