- At the beginning of the period of insurance or when making changes to your policy, you must give complete and accurate answers to any questions you are asked relating to the insurance.
- You must tell your broker of you becoming aware of any inaccuracies or changes in the information you have provided to us, whether happening before or during the period of insurance.
- You must tell your broker if your circumstances change either before your policy starts or during the period of insurance. For example, if you move house, start a business from home, you change the use or you rent it out, you increase the value of your contents or rebuild of the buildings from what is shown on your schedule or if you leave your home unoccupied or unfurnished.
- You must tell your broker before you start any conversions, extensions or other structural work to the leisure home.
- You must take all reasonable steps to prevent loss, damage or an accident and keep the leisure home in a good state of repair.
- You must tell us about any event which might lead to a claim as soon as possible
- When we are notified of a change or of any planned structural work we will tell you if this affects your policy. For example we may amend the terms of your policy or require you to pay an additional premium. In certain circumstances we may cancel your policy in accordance with the "Cancelling This Insurance" section of the policy document.
- You must always make sure that your sums insured are adequate. If your sums insured are inadequate at the time of any loss or damage then we will proportionally reduce the amount of any claim payment made by the percentage of underpayment of premium, for example if the premium you have paid is equal to 75% of what your premium should have been on the correct sums insured then we will only pay up to 75% of any claim made by you.
- **Failure to meet your obligations could result in a claim being rejected, a reduction in the amount we pay or the cancellation of your policy.**
