## Customer needs and objectives

Customers require insurance to protect their property used as a main residence and the liability risk as the owner or occupier of the property.

## Target Market

The product is designed for customers with homes used as a main residence in the UK, the Channel Islands and the Isle of Man.

Customers who require higher levels of cover to protect the buildings and contents and art in the home and personal belongings and jewellery within and when taken away from the home.

## Non Target Market

Customers with homes outside of the UK, the Channel Islands and the Isle of Man.

Customers who are more suited to a mid or high net worth household cover.

Customers who use the property as a leisure home.

Owners that are unwilling to put in place security measures for the property, stipulated by us

Owners of partially built or dilapidated properties.

## Recommended distribution strategy

This product may be sold on an advised or non-advised basis. It is suitable to be sold face-to-face, through telephony sales or via a quote-and-buy.

## How is value assessed?

Choice review and assess the product on at least an annual basis to ensure that it continues to offer fair value to customers.

Choice review all information available including that provided by our distributors.

We have made an assessment of our products, looking at the nature of the product, the pricing, the distribution arrangements, as well as basing the assessment on the following fair value measures:
