

Claims Contacts

Choice Insurance Agency have authority to bind business for a number of insurers across a number of products. Below is a list of all relevant claims contact details to assist you and your client when reporting claims. Please note, any open market policies will have claims details on the relevant wordings.

As a minimum, when reporting a claim be sure you have

- The policyholder name and address
- The policy number stated on the schedule

Please note that for most property claims insurers will require photos of the damage plus two quotations for repair.
