Important information

Claims procedure

In the event of a property emergency:

- 1) **Please telephone** (lines are open 24 hours day, 365 days a year) as soon as possible, providing us with your name, insured property's address, postcode, and the nature of the problem.
- 2) We will record your details and then decide on the best course of action to limit your loss and/or repair the damage. If the incident relates to an emergency covered under this policy, we will instruct a member of our emergency contractor network. Poor weather conditions or remote locations may affect normal standards of service.
- 3) If your property is powered by a biomass boiler or anaerobic digester system, we will check your details and agree for you to choose a suitable expert to help. You will have to pay the contractor and send your receipt to us, we will reimburse your claim. Please send your receipt to **www.arag.co.uk/newclaims** or **ARAG plc, 9 Whiteladies Road, Clifton, Bristol, BS8 1NN**.
- 4) If you are claiming for alternative accommodation costs for your tenant(s) you must obtain our authority to incur costs before any bookings are made. Your tenant(s) will have to pay for the accommodation when they check out and send the receipt to you, to forward to us to be reimbursed.
- 5) It is important you notify us as soon as possible of any claim, and do not call out your own contractors unless we have agreed as we will not pay their costs and it could stop your claim being covered.
- 6) You must report any major emergency which could result in serious damage to the property or injury, to the Emergency Services or the company that supplies the service.
- 7) Your call will be answered as soon as possible and may be recorded for training and security purposes.
